Table Grace

During these weeks, scores of our young people have been launched into the world that we call "the world of the professions and of business." Grant that we who receive them may not dim their high hopes and lofty ideals. Guide us. Lord, that we may give them a vision of service woven out of the fabric of Rotary's goals. Father. receive our grateful thanks for the gifts of this hour. Amen.

The Rev. Dr. Frederick E. Christian

June is FELLOWSHIP Month

The Rotarian's 4-Way Test

Of the things we think, say or do

- 1. Is it the TRUTH?
- 2. Is it FAIR to all concerned?
- 3. Will it build GOODWILL
- and better FRIENDSHIPS?
- 4. Will it be BENEFICIAL to all concerned?

Last Week's Speaker: Jay King

Jay King spoke to us about the proper maintenance of our cars. He sees now as the best time to buy a new car.

He believes that standard timing of maintenance is not as important as working with a "car guy" who knows your driving habits.

80% of breakdowns are related to rubber fatigue. Tires could last longer but the ride would suffer. He is concerned about the replacement parts for all of the models that are being closed out.

To date, we are at roughly 50% participation for the club. Thank you if you have responded to Harry. If you have note responded, please send your envelope ASAP.

Thank you.

4th of July Parade

The Swarthmore 4th of July Parade is set to begin at 10:00 and all are welcome. Betty Ann Flynn, Gene Martenson, Marv Gelb and a few others will be serving lemonade.

Following the parade Betty Ann will present the Rotary Community Service Award to Judy Neale and the Vocational Service Award to Greg Byrnes.

Judy has been involved with the Senior Citizen's group for many years in sponsoring programs. Greg was the Assistant Manager at the Swarthmore Co-op for some 25 years.

Please join us for this terrific event and bring your cameras. All pictures are welcome via email at <u>brian@brianNcasey.com</u> Help showcase our Club's community involvement.

Rotary Fast Fact

Many Rotary projects parallel the U.N. Millennium Development Goals. Rotary service projects worldwide help reduce child

mortality (Goal 4) and improve maternal health (Goal 5) by addressing preventable childhood diseases, including polio; providing nutritional supplements potable water: offering and reproductive health education; and donating medical services and equipment. In 2008 and 2009, more than 10,000 Rotary club members worldwide attended child conferences. survival which US\$500,000 generated toward related projects. In addition, Rotary supports the United Nations' new child nutrition initiative, Renewed Efforts Against Child Hunger (REACH).
