Table Grace

Lord of the open spaces and the lofty mountains, we thank you for this season which affords us opportunities to range far and wide.

Grant that these days may give us wider vision and loftier purposes, that our world may not become narrow and circumscribed. Fulfill in us the Rotary ideal of a world-wide community of peace and goodwill.

Receive our thanks for these good gifts of food for body and soul for we are truly grateful. Amen.

The Rev. Dr. Frederick E. Christian

Last Week's Speaker: Assistant Governor Anne Hansen By Mike Malone

Anne Hansen described her journey to Rotary through her husband's work which led her to join us particularly after a National Immunization Day. Her father and a best friend had polio so her interest in its eradication is personal. She encourages each of us to think about what we can do to aid the struggling world.

She serves as District Assistant Governor providing a positive voice, moral support, listening, and bringing support to 6 surrounding clubs. In addition to supporting her clubs goals, she also helps to deliver the DGs message to the clubs and coordinate club and District activities. Anne is in her third year as Assistant Governor and served as Swarthmore Club President in 2007-08.

Collaboration leads to successful project in Egypt |

When it comes to sustainable service, collaboration is one of the keys to success. This idea is exemplified by a recent

Rotary project to provide vocational training, microcredit loans, literacy classes, and family planning resources to poor women and their families in Alexandria, Egypt.

Partners included local Rotaract and Rotary clubs, the Rotarian Action Group for Population Growth and Sustainable Development, and a German Rotaract club. More than 150 women and their families have benefited as a result of this effort.
