Table Grace

Lord of the nations, amid the brokenness of our world, we meet to rejoice in a company that transcends all boundaries in a compact of service. Quicken our imaginations, stir our compassion, and send us out to join more vigorously in this common cause.

Thanks be to you for this hour together. Amen.

Rev. Dr. Frederick E. Christian

Last Meeting's Program: Rich Shimko

Rotarian Rich Shimko gave his classification talk, which was a mixture of the story of his life so far and an overview of medical radiation devices. Because of conflict of interest, the regular reviewer is unable to write the usual speech summary. Instead, we will rely on comments that were overheard after the talk.

"I haven't laughed so hard since reading Dr. Zhivago" (Hillard Pouncy)

"What is a doughnut" (Anne Seidman) (The above two comments are revenge of sorts)

What is a Rotary Action Group?

(information from: www.rotary.org)

A Rotarian Action Group is an autonomous group of Rotarians, family members, program participants and alumni who are experts in a particular field, such as microcredit or water and sanitation. Group members share their expertise by collaborating with clubs and districts on service projects. For example: The Rotarian Action Group for Population Growth & Sustainable Development partnered with Rotary clubs in Germany, Austria, and Nigeria to reduce maternal death by 50 percent at 10 hospitals in northern Nigeria with a program to prevent and treat obstetric fistula, a serious birth injury.
