## Table Grace

During these weeks, scores of our young people have been launched into the world that we call "the world of the professions and of business." Grant that we who receive them may not dim their high hopes and lofty ideals. Guide us, Lord, that we may give them a vision of service woven out of the fabric of Rotary's goals. Father, receive our grateful thanks for the gifts of this hour. Amen.

Frederick E. Christian

## Last Week's Program: Amy Sue Barston and Katrina Pantazoupoulos

**By Rich Shimko**

Rotary welcomed Amy Sue Barston back along with one of her students, Katrina Pantazoupoulos. Amy, who lives in Swarthmore, has been playing the cello since she was three. Amy's professional career includes solos with many orchestras in addition to being part of two chamber groups. As we know, Amy teaches cello, including to young children. Katrina, age 11, has been playing since she was six. In response to a question about how she brings so much emotion into her playing, Katrina said she thinks of a

## What is "Rotary Fellowship Month"?

**June is designated Rotary Fellowships Month** to recognize the importance of international fellowship and goodwill among Rotarians with similar recreational and vocational interests, promote increased participation in fellowships, and increase understanding of this program. The RI Board encourages these groups to celebrate Rotary Fellowships Month through projects, activities, and events.

### What are the benefits for Rotarians in joining the Rotary Fellowships?

Fellowship provides opportunities for Rotarians to make lasting friendships outside their own Club, District or country. There are many Fellowships that would be of interest to members, and they are detailed on [www.rotary.org/fellowships](http://www.rotary.org/fellowships). You may find many extensive activities of the Rotary Fellowships that your profession, business or industry area has already established. If not, why not think about starting one yourself! Fellowships contribute to the advancement of world understanding and peace.

Interested Rotarians can join a Rotary Fellowship by clicking [www.rotary.org/en/our-programs/more-fellowships](http://www.rotary.org/en/our-programs/more-fellowships) or even start a prospective Rotary Fellowship if your recreational or vocational interest is not in the list of established Rotary Fellowships

story and follows the story when she plays a piece. The story helps her remember the piece and also gets her in an appropriate mood. For example, she said she was imagining walking in the park during one of the pieces she played.

Amy and Katrina played Sammartini's Sonata in G major and Vivaldi's Concerto for 2 cellos (minus the orchestra). The music was excellent and moving. As I listened to the two of them, one of the stories I imagined was that Amy would return again next year.
